

two *4* one 

When two hearts beat as one, **one gift counts as two**

Whether you arrived at Carroll together, first spotted one another while walking across Main Lawn, or met as alumni...you are and always will be a Carroll couple. And your love for and support of Carroll will always be important. A gift made together counts as support from two alumni, helping strengthen Carroll's alumni participation and making a difference for students. Please make your gift to the Carroll Fund today!
